

TECHNICAL DATA

ECO CLEAN Cleans insects

Cleans mosquitoes and other insects

PRODUCT

ECO CLEAN Insect Cleaner is a product specially formulated for the cleaning of mosquitoes and dirt from the death of insects that impact with the surfaces of vehicles. It has a high degreasing power, removing dirt without great effort. Does not damage the treated surfaces, leaving them shiny and clean after the final rinse

APPLICATION

Apply by spraying on the affected area of insects.
Leave on for a few minutes and rinse with pressurized water.

Sprayer de 500ml
