

# CEROIL CLEANER +

Universal Degreasing Cleaner

## PRODUCT

Universal degreasing cleaner for the removal of grease and all types of stubborn residues.

## UTILITY

Removes residues, grease and oil from all types of metal and plastic parts, without the need for any effort or caustic or aggressive products.

## ADVANTAGES

- Excellent external degreasing cleaner for engines and parts.
- Removes grease and residues from metal.
- Removes tar, rust and corrosive particles.
- Quick application and high volatility.
- Does not damage rubber or plastic materials.
- Low toxicity product. Biodegradable.

## APPLICATION

**\*SHAKE BEFORE USE\***

1. Spray the part to be treated.
  2. Wait a few seconds.
  3. Carefully clean the treated parts.
- Repeat the application several times, if necessary.
